ISC 2024 CASE STUDY POSTER COMPETITION

SCAN
ME

OBJECTIVE:

The International Statistics Conference (ISC) 2024 **Case Study Poster Competition** will provide enthusiastic passionate teams of undergraduate students the opportunity to apply their data analysis skills/knowledge to solve a current industry problem. Each participating team will select and analyze one of the two case studies provided by two industry collaborators of ISC 2024.

The winners of each case study will be awarded at the ISC 2024 conference dinner happening on the 29th December, 2024 @Cinnamon Lakeside, Colombo.
